

Hon. Michelle Rempel:

Has any analysis been done with regard to any additional costs related to administering the new model?

[Expand]

Ms. Natasha Kim:

Indeed. Budget 2019 did announce investments of \$51.9 million, I believe, over five years. That took into account what our estimates were about administering the new model, including increased investigations and a new AMPS regime.

Hon. Michelle Rempel:

Okay.

Ms. Natasha Kim:

The college itself would be self-funded by fees.
